

WELCOMING OUR NEWEST CUSTOMERS

Ludlow Church of England School, based in the county of Shropshire, is a community school for 11-16 year olds and a partner academy of Bishop Anthony Educational Trust. Our team of operatives will be providing daily classroom, office and washroom cleaning services, starting from 1 April 2019.

In recent weeks, we have successfully renewed our contract with one of our valued customers, Two Rivers School in Tamworth. The team have been providing daily housekeeping across the site since 2017. We are also pleased to announce they are our Charity of the Year for 2019.

Expansion across Derbyshire

As we expand the number of areas the team are working in, there have been a series of new contracts started in and around Derby across manufacturing, retail and commercial office sectors.

Ricardo Rail are a global consultancy providing engineering services to the rail industry. The team are providing daily housekeeping with the contract starting at the beginning July.

PX Tech provide innovative technology solutions that help businesses to engage their teams through real-time data. At their head office in Derby, our team provide commercial office cleaning including daily housekeeping.

As we look to grow our work in the retail sector, our team have partnered with Beechwood Motor Group to deliver their cleaning contract at their Mazda and Suzuki showrooms.

We have recently commenced a three year contract with another ongoing valued customer, Segro Management Suite (part of Petersen Associates Group) providing a combination of washroom and daily housekeeping services.

Interested in TRAINING?

At Fidelis, we know that our great people make our business as great as it is.

We are constantly looking at ways to make improvements to processes and procedures as well as ways to help operatives improve themselves for their own self development and for the progress of the company. We currently have a number of operatives who have signed up to City & Guilds, first aid, manual handling, CITB and many others.

Our People

Getting to know Kay Timms our Senior Contracts Manager and Ian Gould from Grounds Maintenance.

New Launch

Fidelis Grounds, our new dedicated Grounds Maintenance division of the Fidelis Group.

A statement from Lloyd

I am really pleased to report that we have had a fantastic financial year, growing the business and delivering world class services to our clients. I would like to thank you, our operatives, for your hard work and commitment – it would not be possible without you.

The continued growth of the organisation going into the new financial year has seen the launch of our Grounds Maintenance business which is being headed up by Ian Gould.

As we look forward, the integration of technology will play a crucial role in streamlining our processes and procedures, helping with accurate auditing and delivering efficiencies which will help to keep you safe and secure.

Our innovative Timegate system has been designed with you at the forefront of our thinking with the aim to make life easier. This has been a significant investment of time and money to futureproof our internal communication for years to come.

Fidelis Group launch Grounds Maintenance Division

We are delighted to announce the launch of Fidelis Grounds, our new dedicated Grounds Maintenance division of the Fidelis Group.

Led by Ian Gould, Fidelis Grounds will provide grounds maintenance and landscaping services contracts and projects across the UK.

The launch of the new division will work hand in hand with

our cleaning and related services in the manufacturing, industrial and education sectors.

This addition allows us to continue our anticipated growth plans and expands our offering to existing and new clients. Having provided partnered grounds maintenance services to our clients for the past 7 years, now is the right time to fully integrate this service alongside our market leading commercial contract cleaning and related services.

Brand Refresh

“ In recent months, we have been working hard behind the scenes to refresh our brand, logo and website slightly to help us with our growth plans. ”

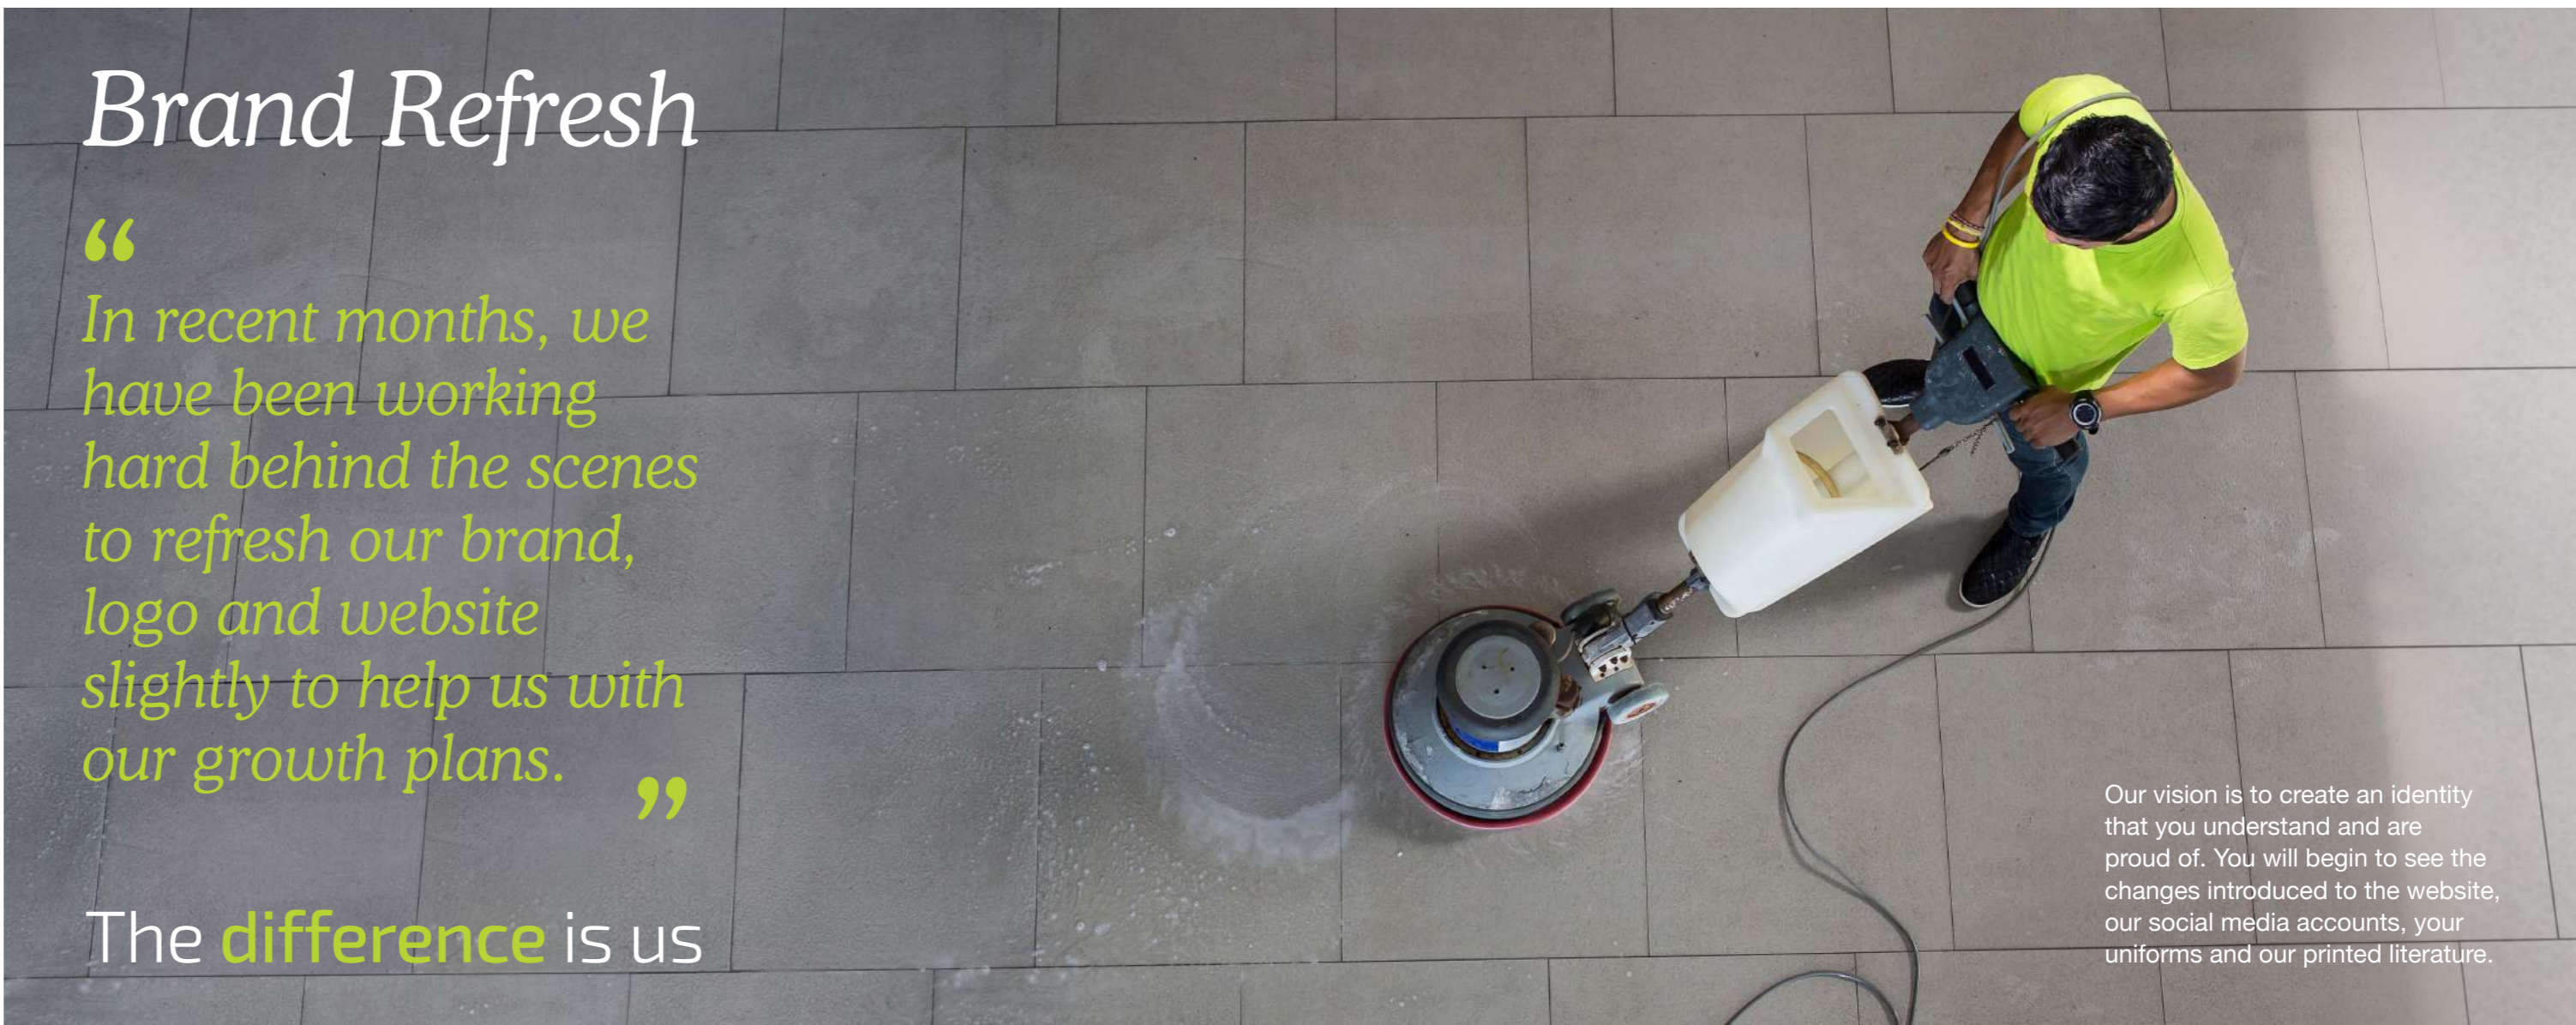

The **difference** is us

OPERATIVE OF THE MONTH

Celebrating those that go above and beyond is important to the team. We would like to thank Anthony Dubberley for his continued hard work at National Windscreens.

Our client contact commended Anthony on the significant difference he has made across the site which has been noticed by all of the team.

Anthony has also been supporting our team managing our Forestry Commission contract in Corby – making the daily journey from Tamworth.

We would also like to give a special thanks in to Gemma Veale and Sherrie Veale for their support at Parsons Peebles - Avonmouth Bristol for transforming the cleaning standards across the site.
